Invitation Letter

Dear Sir or Madam,

I, Jiawei Fu (passport number EA1141155), living in Amsterdam, Schippluidenlaan 710 (post code: 1062HE), working at Rabobank with a permanent contract (I was living in Eindhoven Chopinlaan 76, 5653EX, at the moment the contract was signed, that's why the address in the contract is shown in Eindhoven).

I am writing this letter to support the visa application of my parents (Father: Zengyue Fu, passport number: E83769815, date of birth: 12-Dec-1967; Mother: Xuexia Wu, passport number : EF5371627, date of birth: 04-May-1972). Hereby I promise I will provide accommodation for them, they will cover the expense of the trip on their own, but I will also take the responsibility to cover expenses as much as I can (bank statements of my parents as well as mine are being provided in the supporting document) during the trip. I have already signed the proof of sponsorship and private accommodation for my parents from the city hall (Amsterdam, Gemeente Stadsloket Nieuw-West) in the Netherlands.

However, since the original letter is still on the way to China, we are unable to get the original copy for visa application in time. Therefore, we have to use the scanned copy of the proof of sponsorship letter at this moment. I sincerely apologize for the inconvenience and I'm writing this letter as a supplement material to the scanned copy.

[Intended trip date]:

23-January-2025 to 15-February-2025

[Purpose]:

Visiting Family

[Reason for inviting]:

My parents (Zengyue Fu and Xuexia Wu) will have the lunar new year holiday and we haven't seen each other for a long. So we want to spend time together in the Netherlands during that period.

[Enclosure]

- Copy of inviting person's ID
- Copy of inviting person's Passport
- Copy of inviting person's permanent contract
- Inviting person's bank account statement
- Scanned documents of proof of sponsorship and private accommodation for applicants (Zengyue Fu and Xuexia Wu)

Thank you for your time with the application. Please reach out to me by phone (+31 6 45854327) or email (jiaweifu2020@gmail.com), in case you need more information.

Best regards,

Jiawei Fu
